

## HYPER-CONCENTRATED SOLUTIONS for Self-Serve Washes

Choosing **Turtle Wax® Pro** Hyper Concentrates means you get more chemistry and less water with each purchase! 5 gallons of hyper concentrated chemistry can wash hundreds to even thousands of vehicles per container, ensuring that you can order product less often, while being safer for employees to handle with a low cost-per-car.

- Compact design virtually eliminates all ware-housing, freight, labor, handling and inventory problems.
- Contains nearly 100% active ingredients—virtually water-free.
- Flexible dispensing options allow for a wide range of dilution and cost-per-car alternatives without costly new equipment.
- Turtle Wax® is the most widely recognized name in the car wash industry.
