Floor and Lot Sweeper

For cleaning parking lots, warehouses, shop floors, sidewalks and many other places where debris accumulates. Side broom bristles pull litter and dirt away from walls and into the broom path. Dust pans are not needed, simply remove the polyethylene hoppers for emptying. Standard with front steering caster.

TK500M

TK500M

All purpose, walk-behind, manual style. Heavy-duty construction for longer life. Working width is 26-1/2". Capacity is 1.25 bushel. Dimensions are 30" x 37" x 38".

Floor Squeegees

Heavy-Duty Floor Squeegees for use in garages, shops, service stations, industry, etc. Long wearing and abrasion resistant. Available in either straight or curved styles. Rubber surfaces are 1/4" x 2" in 24" or 36" lengths.

1400 Series also features Gray, Non-marking rubber. Resistant to animal fats, vegetable oils and higher temperatures. Ideal choice for packing houses, restaurants or hospitals where black marking could be a concern.

Curved Model

Straight Model

All **1400 Series** squeegees are standard with aluminum pole sockets that are designed to accept **1-1/8" tapered poles**, (not included). (Replacement rubber refills are available).

MMB18 & 6330 Double Blade Foam Squeegees are soft foam rubber floor squeegees. Suitable for most surfaces. Low cost, quick drying. Adjustable, metal handle socket for tapered 15/16" handles. 18" double sided design.

* For 15/16" Poles.

Excellent Experience!

"I would have to say that my experience with Dultmeier Sales has been excellent. There was a mix up on and order I had made in March. I did not open the part until November. When I contacted the company, they were nothing but helpful. The issue was resolved very quickly and painlessly. Thank you for the great service."
