Zinc-Plated Steel Spiral Clamps

Spiral Clamps for use on convoluted hose. Looking at the end of the hose: Use CW clamps if the hose spirals away from you in a right hand wrap. Use CCW clamps if the hose spirals away from you in a left hand wrap. *Kuriyama* hoses use CCW clamps. *Pac Echo* and *Kanaflex* use CW clamps. *Goodyear* uses both. Check your hose before ordering.

Counter Clockwise wound left hand spiral

CCW Spiral Clamps
