

3-Point Sprayers & Booms

60 • 110 • 150 • 200 • 300 Gallon 3-Point Sprayers

*Includes 3-Point Frame with Parking Tank Stand, Tank Saddle and Straps.
Order Pump, Boom Controls & Hand Gun Kits Separately*

PT60B-ELECT is a 60 Gallon 3-Point Sprayer equipped with: 12 VDC electric demand pump (3.5 GPM up to 45 PSI), poly tank with 5" lid, welded frame constructed from 2" x 3" angle, with Category-1 3-point hitch, plumbing includes hoses, clamps, fittings and line strainer. **HAND GUN INCLUDED. LESS BOOM.**

PT60BRM is a 60 Gallon 3-Point Sprayer equipped with: poly tank with 5" lid, one-piece welded frame constructed from 2" x 3" angle, with Category-1 3-point hitch. The regulator kit is equipped to be used with a roller pump and includes: hoses, clamps, fittings, line strainer, gauge and pressure relief valve. **LESS PUMP, BOOM, CONTROL and HAND GUN.**

PTA110RM is a 110 Gallon 3-Point Sprayer that features: poly tank with 10" lid, bolt-on saddle welded-in tank support, one-piece welded frame with square tubing legs and Category-I 3-point pins. The regulator kit is equipped for use with a manual boom control (SSAA6B-K) and roller pump including: hoses, fittings, hardware, gauge, deluxe nylon strainer, single jet agitator and pressure relief valve. **LESS PUMP, BOOM, CONTROL and HAND GUN.**

PTA150RM is the same as **PTA110RM** but is equipped with 150 gallon poly tank. **LESS PUMP, BOOM, CONTROL and HAND GUN.**

PT200R is a 200 Gallon, 3-Point Sprayer that features: poly tank with 10" lid, bolt-on saddle with welded-in tank support, one-piece welded frame with square tubing legs and Category-II 3-point hitch pins. The regulator kit is equipped for use with a manual boom control (SSAA6B-K) and roller pump including: hoses, fittings, hardware, gauge, deluxe nylon strainer, single jet agitator and pressure relief valve. **LESS PUMP, BOOM, CONTROL and HAND GUN.**

PT300R is a 300 Gallon Heavy Duty 3-Point Sprayer that features: poly tank with 10" lid, bolt-on saddle with welded-in tank support, heavy duty one-piece welded frame constructed for 3" x 3" square tubing and flame-cut arms, Category-II 3-point hitch pins and square legs. The plumbing kit is equipped for use with a roller pump including: hoses, fittings, hardware, gauge, deluxe nylon strainer, single jet agitator and pressure relief valve. **LESS PUMP, BOOM, CONTROL and HAND GUN. This unit fits most Quick Hitches.**

PT300C is the same as **PTA300R** but the regulator kit is set up to work in conjunction with a centrifugal pump, which includes 1-1/4" suction hose, 1" discharge hose and larger fittings and valves. **LESS PUMP, BOOM, CONTROL and HAND GUN.**

PT60BRM 3-Point Sprayer

PT200R 3-Point Sprayer
(Shown with options: manual controls, handgun kit & boom)

3-Point Sprayers

Part No.	Description
DS PT60B-ELECT	60 Gallon 3-Point Sprayer, 12 Volt.....
DS PT60BRM	60 Gallon 3-Point Sprayer, Less Pump
DS PTA110RM	110 Gallon 3-Point Sprayer, Less Pump
DS PTA150RM	150 Gallon 3-Point Sprayer, Less Pump
DS PT200R	200 Gallon 3-Point Sprayer, Less Pump
DS PT300R	300 Gallon 3-Point Sprayer, Heavy Duty.....
DS PT300C	300 Gallon 3-Point Sprayer, Same as PT300R, but Works in Conjunction with a Centrifugal Pump.....

Pump Options

Part No.	Description
HY 6500CA	3/4", 6 Roller Cast Iron Pump, Less Coupler.....
HY 7560CA	3/4", 8 Roller Cast Iron Pump, Less Coupler.....
HY 1700C	1", 5 Roller Cast Iron Pump, Less Coupler.....
HY 1320-77	Standard Coupler, 1-3/8" x 5/8".....
HY 1323-77	Quick Coupler, 5/8".....

Electric & Manual Boom Controls

Part No.	Description
DS HY3WV	3-Section Manual Lever Control with mount.....
DS SSAA6B-K	1-Section Manual Lever Control with mount.....
DS TIRC-1B-K	3-Section Texas Remcon Control with gauge, regulating valve & (3) solenoid valves with mount.....
DS GHR-255	Hand Gun Kit for 60 Gallon, 3 Pt. Includes 25' Hose, Gun, 18" Wand, Adjustable Nozzle.....
DS GHR-25	Hand Gun Kit for 110 to 300 Gallon, 3 Pt. Includes 25' Hose, Gun, 18" Wand, Adjustable Nozzle.....

FBS30
Folding "Break-Away" Boom

Folding "Break-Away" Booms for 3-Point Sprayers

All booms include folding wings & "break-away" fold-back feature. Plumbing is also included with nozzle bodies at 40" or 20" spacing and either Teejet 11/16" nozzle bodies and EVA hose or Teejet "Quickjet" nozzle bodies with diaphragm check valves (top style, 22252 series) and EPDM hose. All booms can accommodate 1 or 3 section control. (Nozzles and caps sold separately).

Part No.	Description	Coverage	Number Nozzle	Nozzle Spacing	Nozzle Body Type
DS FB10	10' Coverage Boom**	10'	3	40"	Standard, EVA
DS FB14	14' Coverage Boom**	14'	4	40"	Standard, EVA
DS FBS15	15' Coverage Boom	15'	9	20"	Standard, EVA
DS FBQ15	15' Coverage Boom	15'	9	20"	Quickjet, EPDM
DS FBS21	21' Coverage Boom	21'	13	20"	Standard, EVA
DS FBQ21	21' Coverage Boom	21'	13	20"	Quickjet, EPDM
DS FBS30	30' Coverage Boom	30'	19	20"	Standard, EVA
DS FBQ30	30' Coverage Boom	30'	19	20"	Quickjet, EPDM
DS FBQ11BB	43' Coverage Boom	43'	7@20" + 2 Boomless		Quickjet, EPDM

** Only Use with 60 Gallon, 3-Pt. Sprayers.

— Larger Booms also Available —
