**Features:**

- Highly Visible Green Back Plate — Easy-to-Find in an Emergency Where Fast Response is Critical.
- Unique Positive Shock Cord Retention System.
- Universal Station Back Plate.
- Includes (1) 32 Oz. Bottle.
- Model 127042 is the same except with (2) 32 oz. bottles.

#S19220 **Eyewash Fountain**

Provides soft aerated streams to clean foreign particles or liquids from the eyes (3 GPM @ 30 PSI). Flow control for steady flow under varying water pressure conditions. Large stainless steel push handle on chrome-plated, stay-open, valve. Twin eyewash heads, 10" diameter yellow Cyclac plastic basin, dome strainer, 1-1/4" drain fitting and aluminum wall mounting bracket. Includes 14" x 3-1/2" aluminum sign which reads: "Emergency Eyewash Fountain". Complies with ANSI Z358.1-2004.

#S19120A **Drench Shower**

The **Horizontal Supply Drench Shower** has a cyclac head to deliver 20 GPM @ 30 PSI with 10" S.S. shroud. Designed for wall or ceiling mounting. 1" chrome-plated brass valve, of stay open design, is operated by a stainless push-pull rod. Polyurethane coated galvanized or chrome-plated brass fittings. 1" IPS water inlet. Includes a 14" x 3-1/2" aluminum sign which reads "Emergency shower". 30 - 90 PSI Rating. Complies with ANSI Z3581-2004. Weight is 7 lbs.

#S19310

## Combination Wash Station

The **Combination Drench Shower/Eye Wash Station** provides more protection than either unit alone and requires less space. Shower head will deliver 22 GPM @ 30 PSI to wash away harmful chemicals. Shower portion includes 3" diameter Shower head and a chrome plated brass valve operated by push pull rod. Eye wash portion includes a 10" diameter yellow Cyclac bowl, twin eyewash heads and push flag handle operated ball valve. Supplied with all fittings as shown. All pipe and fittings are galvanized with a Bradtect™ safety yellow coating to resist corrosion. Supply & waste piping is 1-1/4". Includes 9" diameter galvanized floor flange. 7'10" H x 32" W. Complies with ANSI Z358. Universal I.D. sign included. 30 - 90 PSI Rating. For 10" shower head shroud, also order #WLS24-192. Weight is 50 lbs.
