

X-Jet Cleaning Nozzles

High Pressure, High Throw Nozzles that are ideal for a wide variety of cleaning and spraying applications.

Unique design eliminates the need for ladders, scaffolding or telescoping wands. Designed to project or throw chemicals as high as 40'. Injects and proportions chemicals or liquids without going through your pump, hose or wand. Now you can easily apply caustic cleaners without damaging your equipment. Great for use in removing mold, dirt and mildew from homes and buildings or other tall structures. **X-Jet Nozzles** are also ideal for tree and orchard spraying.

Nozzle kits include X-Jet Nozzle, 1/4" quick coupler, metering tips, 15' of inlet chemical hose, shutoff valve and inlet strainer.

Overall length is only 4" long with quick coupler installed. Can be use on virtually any pressure washer from 2,000 to 4,500 psi.

Available in Two Different Styles:

Original X-Jet Nozzles feature a fixed spray pattern and come with a range of chemical inserts when needed.

M5 X-Jet Nozzles feature an adjustable pattern design with a 0-60 degree fan spray. Inserts also included.

X-JET 5-Gallon Pail System (Sold Separately)

Rectangular, molded handle pail with a 4 inch screw top. The screw top has a brass barb installed. Just pop the X-JET hose onto the barb. There is a PVC tube that goes to the bottom of the pail and will draw all but 1/8 inch of chemical out. Just unscrew the top, fill the pail and screw the top on again. Now you have a totally enclosed X-JET system. No more spills.

X-Jet M5DS Soft Wash Nozzles

Adjustable Pattern, Long Throw Nozzles are designed for Soft Wash applications. Apply cleaning products and rinse up to 4 stories high when used in conjunction with your pressure washer and downstream chemical injector. Simply twist the nozzle grip for zero to 60° spray patterns. Rated to 4,000 PSI. All models include: stainless body, 1/4" stainless quick connector and adjustable nozzle. **Note:** It is recommended to limit discharge hose to 100' or less for optimum draw of chemicals).
