

## Spring Rewind Reels

**Spring Rewind Hose Reels** from REELCRAFT. Available in premium-duty and heavy-duty designs for ceiling, floor or wall mounting. Reels come standard with hose for air, water, oil or grease but are also available without hose. Reels with hose also include hose guide and stop. Steel construction with powder-coated finish. All reels are manufactured in the USA.

**4000 / 5000 Series Premium-Duty Reels** are designed with one pedestal foot for a wide range of applications where critical space requirements are required. Other hose lengths are available if needed. Water/Air Reels are rated to 150° F. Oil and grease reels are rated to 210° F.

Part No.	Product	Hose	Max.		Wt. Lbs.
			PSI	Inlet	
RF 4435OLP	Air/Water	1/4" x 35'	300	3/8"	20
RF 4400OLP	Air/Water	None	300	3/8"	17
RF 5450OLP	Air/Water	1/4" x 50'	300	3/8"	26

### Premium-Duty Reels

### REELCRAFT Premium-Duty Reels

**7000 & 8000 Series Premium-Duty Reels** are ideal for the most demanding applications. Base and arm are designed with structural forms and gussets to yield greater strength. **80000 Series** can be truck mount. Air / Water reels are rated to 150° F. Oil and grease reels are rated to 210° F. Hoses are included.

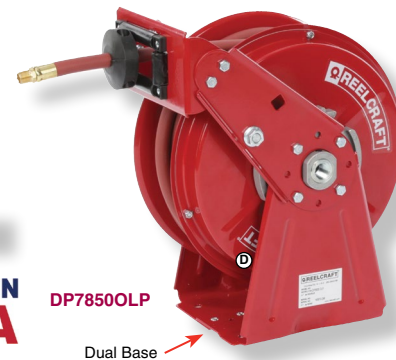

Part No.	Product	Hose	Max.		Wt. Lbs.
			PSI	Inlet	
RF 7650OLP	Air/Water	3/8" x 50'	300	1/2"	47
RF 7670OLP	Air/Water	3/8" x 70'	300	1/2"	47
RF HD76100OLP	Air/Water	3/8" x 100'	300	1/2"	75
RF 7850OLP	Air/Water	1/2" x 50'	300	1/2"	47
RF 81100OLP	* Air/Water	3/8" x 100'	300	1/2"	92
RF 82100OLP	* Air/Water	1/2" x 100'	300	1/2"	101
RF 83050OLP	* Air/Water	3/4" x 50'	250	3/4"	88
RF 7850OMP	Oil	1/2" x 50'	3000	1/2"	57
RF 7650OHP	Grease	3/8" x 50'	4800	1/2"	60

\* Can be truck mounted.

### Heavy-Vibration Reels

**DP7000 Series** features **Dual Pedestals** and are designed to handle heavy vibration. Ideal for truck mounted applications. (Meets or exceeds military vibration for truck transport test). Powder-coated finish and all steel construction produce a rugged corrosion-resistant reel. Air/Water reels are rated to 150° F. Oil and grease reels are rated to 210° F.

Part No.	Product	Hose	Max.		Wt. Lbs.
