

Spills Happen, Be Prepared !

Absorbent Products are ideal for spill cleanup. Used to soak up leaks, drips or spills. Available in pads, rolls, socks or spill kits. Designed for cleanup of oil, water, grease, coolants, diesel fuel and many other fluids. Ideal for manufacturing areas, chemical storage facilities, operations using hydraulic fluids, warehouse storage, etc. Use of these products helps your business conform with OSHA spill and cleanup regulations.

GENERAL PURPOSE Sorbents can be used for oil, water, grease, coolants, diesel fuel and many other chemicals. *(Not for aggressive acids or caustics).* Usually gray.

OIL ONLY Sorbents are for hydrocarbon based spills, will not absorb water. Can be used for indoor or outdoor spill cleanup and even on open water. Usually white.

HAZMAT Sorbents are designed for hazardous chemicals. Usually yellow to denote product may require special disposal.

22883 General Purpose Sorbent pads, box of 100 (15" x 19") pads. Color is gray. Durable cover stock on top and bottom of pad for added strength and durability.

82004 Oil Only Sorbent pads. Box of 100 (15" x 18") pads. Color is white. Meltblown construction floats if needed. For indoor or outdoor cleanup.

50101 Hazmat Sorbents pads. Box of 100 (15" x 18") pads. Color is yellow. For aggressive chemicals, even battery acid. Meltblown construction.

22884 General Purpose Sorbent flat sheet pad roll. Size is 28-1/2" x 150'. Perforated every 19" as well as down the center length of the roll. Durable cover stock on top and bottom for added strength. Can be separated to fit as needed. Color is gray.

22868 General Purpose Sorbent sock, 3" diameter x 4' long. Box of 40. Can be placed together for longer runs or circles. Durable cover stock on top and bottom for added strength and durability. *(Longer sizes available on special order).* Color is gray.

99010 General Purpose Truck Spill Kit. Ideal for carrying in truck cabs for small spill cleanup. Kit includes (8) pads, (2) 4' socks, Nitrile gloves, goggles, GreenX wipes and waste water disposal bag.

99015 Oil Only Truck Spill Kit. Same as above but with oil only Sorbent products.
