

“Combo-Rate II” Nozzle Body Systems

Combo-Rate II Nozzle Body Systems are designed with the main saddle/nozzle body positioned directly under the boom. This keeps the complete assembly compact, even when the second nozzle body or turret is added. Constructed of glass-filled polypropylene for strength and excellent corrosion-resistance. All components are easily connected with the stainless u-clips. Standard with buna o-rings (*Viton® available; enter -VO suffix instead of -00*) and EPDM internal diaphragm. Standard with 10 PSI diaphragm check valves. Fits 1” I.D. standard boom pipes.

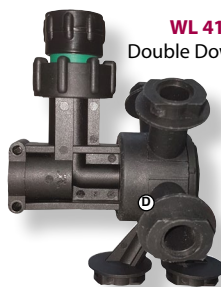

WL 41434-00

Combo Rate II Saddle/Body
2 Way, 3/8” Inlet. Includes
Manual Shutoff Valve (MSO)

WL 41515-00

5-Way Turret

WL 41816-00

Double Down TopTurret

Shown here completely assembled with
5-Way Turret & Plug

WL 40203-00

Adapter for TeeJet
QuickJet Cap

WL 40441-00

Double Down Adapter
for Wilger Combo-Jet

Part No.	Description
WL 41333-00	Combo-Rate Saddle/Body, 1 Way, 3/8” Inlet with Manual Shutoff Valve
WL 41434-00	Combo-Rate Saddle/Body, 2 Way, 3/8” Inlet with Manual Shutoff Valve *
WL 41438-00	Combo-Rate Saddle/Body, 2 Way, 3/8” Inlet for Blended Pulse Applications.....
WL 41364-00	Combo-Rate Saddle/Body, 2 Way, 21/32” Inlet for JD Sprayers with Manual Shutoff Valve
WL 41513-00	Combo-Rate, 3 Way Turret with Manual Shutoff Valve
WL 41514-00	Combo-Rate, 4 Way Turret with Manual Shutoff Valve
WL 41515-00	Combo-Rate, 5 Way Turret with Manual Shutoff Valve
WL 41516-00	Combo-Rate, 5 Way Double Down Turret with Manual Shutoff Valve
WL 41813-00	Combo-Rate, 3 Way Top Turret with Manual Shutoff Valve
WL 41814-00	Combo-Rate, 4 Way Top Turret with Manual Shutoff Valve
WL 41815-00	Combo-Rate, 5 Way Top Turret with Manual Shutoff Valve
WL 41816-00	Combo-Rate, 5 Way Double Down Top Turret with Manual Shutoff Valve
WL 41502-11	Combo-Rate, Viton® Repair Kit - to Repair 2,3,4 & 5 Way Turrets
WL 40440-00	Combo-Rate, Y Adapter (60° Tilt Forward & Backward)
WL 40441-00	Combo-Rate, Double Down Adapter.....
WL 40203-00	Combo-Rate, Adapter for TeeJet “Quick Jet” Cap.....
WL 41285-00	Combo-Rate, Male Plug Less U-Clip
WL 20460-04	Combo-Rate, Stainless Steel U-Clip.....
WL 41100-03	Combo-Rate, 10 PSI Diaphragm Check Valve (Less Body Nut & Diaphragm)
WL 41100-V3	Combo-Rate, 10 PSI Diaphragm Check Valve (Less Body Nut & Diaphragm)
WL 41100-12	Combo-Rate, 4 PSI Diaphragm Check Valve (Less Body Nut & Diaphragm)
WL 41100-P15	Combo-Rate, 15 PSI Diaphragm Check Valve (Less Body Nut & Diaphragm)
WL 41100-02	Combo-Rate, Body Nut for Above Check Valves
WL 40155-07	Combo-Rate, FKM Diaphragm for Above Check Valves
WL 40155-12	Combo-Rate, Viton® Diaphragm for Above Check Valves.....
WL 40155-23	Combo-Rate, Single Piece Molded Diaphragm

* 40155-23 is Direct Replacement for 40155-07 and 40155-12 (New & Improved Design)

“Combo-Rate” Nozzle Body Systems

Combo-Rate Nozzle Body Systems allow you to spray with multiple nozzles (*of the same or different sizes*) at the same location on the boom, to optimize coverage, canopy penetration and drift control. This allows flow rates and droplet sizes of multiple nozzles to be combined. Unlike conventional nozzle bodies, Combo-Rate nozzle bodies are modular. Constructed of durable glass-filled polypropylene, stainless u-clips and FKM o-rings (*Viton® available*). 10 PSI diaphragm check valves with EPDM are standard (*4 PSI Viton® diaphragms are also available*).

WL 41376-00
2-Way Saddle

WL 41375-00
1-Way Saddle

WL 41110-00
2-Way Nozzle Body
with Manual Shutoff Valve

WL 41111-00
1-Way Nozzle Body
with Manual Shutoff Valve

WL 41126-00
1 Way End Nozzle Body
with Air Off Control

WL 41137-00
Swivel End Nozzle Body
w/o nut for PWM solenoid
(not included) Adjustable
in 15° increments for
fence-row spraying

Part No.	Description
WL 41376-00	Combo-Rate Saddle, 2 Way for 1” Pipe, 3/8” Inlet
WL 41375-00	Combo-Rate Saddle, 1 Way for 1” Pipe, 3/8” Inlet
WL 41110-00	Combo-Rate Thru Nozzle Body, 2 Way with Manual Shutoff.....
WL 41111-00	Combo-Rate End Nozzle Body, 1 Way with Manual Shutoff.....
WL 41112-00	Combo-Rate Swivel Nozzle Body, 1 Way with Manual Shutoff.....
WL 41125-00	Combo-Rate Thru Nozzle Body, 2 Way, Air Off Control
WL 41126-00	Combo-Rate End Nozzle Body, 1 Way, Air Off Control
WL 41127-00	Combo-Rate Swivel Nozzle Body, 1 Way, Air Off Control.....
WL 41135-00	Combo-Rate Thru Nozzle Body, PWM without Nut
WL 41136-00	Combo-Rate End Nozzle Body, PWM without Nut.....
WL 41137-00	Combo-Rate Swivel Nozzle Body, PWM without Nut.....
