Flash Cuffs™

Innovative Vacuum Hose Cuff Adapters ensure that twisted hoses and cuff replacements are a thing of the past. Designed to couple lengths of vacuum hoses, 2 inch to 2 inch or 2 inch to 1-1/2 inch.

Features: Innovative design that are virtually indestructible • Swivel design keeps hose from tangling • Tight connections between cuffs decrease air loss, leading to faster drying times • Inside diameter is the same as the hose, thus keeping turbulence to a minimum • Push button lock eliminates unwanted cuff release, yet allows for easy disassembly • Tapered ends and short design allow cuffs to fit on your hose reel.
