

mosmatic Stainless Steel Straight Booms — 360° Ceiling & 180° Wall —

Swiss Engineered, High Quality Ceiling and Wall Booms from Mosmatic. All stainless steel booms are available with **Standard Flow**, 3/8" swivels and hoses or with **High Flow** 1/2" swivels and hoses.

All models include interior boom hose, hose end spring, inline outlet swivel and inlet 90° swivel.

Ideal for use in car wash, truck wash and industrial cleaning applications. Optional 43259 positioning magnet allows for booms to easily track back to a fixed position in your bay if needed. Rated to 4000 PSI, 250° F. water, oil, air, pH 3-12.

Note: 1/2" Booms will handle flow rates approximately 1-1/2 times higher than 3/8".

3/8" Ceiling Booms, 360 Degree
