

On-demand, air driven pressure washers from *Graco* are designed for a variety of in-plant cleaning applications. An ideal choice for industrial and sanitary cleaning in food processing facilities, shipyards, oil rigs and hazardous locations. Wall mount or portable cart options as shown. A perfect choice for locations where electric motors or gasoline engines cannot be used for pump drive requirements.

- Rated for water temperatures to 200° F
- Can operate with single or multiple wands
- Pumps can easily draw from open barrel containers
- Compatible with cold or hot water, detergents and strong chemical solutions
- Standard with trigger wand handle and 3/8" x 50' pressure hose with multiple nozzles
- Pumps are stainless steel with Teflon seals for added chemical compatibility

Models **247549 Cart** mount package and **247550 Wall** mount package feature flow range from **1.56 GPM @ 1145 PSI** with 100 PSI/27Cfm air supply to **4.15 GPM @ 1080 PSI** with 100 PSI/65Cfm.

Models **247533 Cart** mount package and **247554 Wall** mount package feature flow range from **2.34 GPM @ 2545 PSI** with 100 PSI/84Cfm air supply to **5.0 GPM @ 1730 PSI** with 100 PSI/162Cfm.

Models **247551 Cart** mount package and **247552 Wall** mount package feature flow range from **2.08 GPM @ 2025 PSI** with 100 PSI/57Cfm air supply to **4.92 GPM @ 1590 PSI** with 100 PSI/127Cfm.

Models **258664 Cart** mount package and **258665 Wall** mount package feature flow range from **2.67 GPM @ 3300 PSI** with 100 PSI/129Cfm air supply to **4.71 GPM @ 1760 PSI** with 100 PSI/200Cfm.

Part No.	Cart or Wall	* Flow Output	** Air Supply Needed	Wt
GY 247549	Cart	4.15 GPM @ 1080 PSI	100 PSI, 65Cfm	308 lbs
GY 247550	Wall	4.15 GPM @ 1080 PSI	100 PSI, 65Cfm	270 lbs
GY 247551	Cart	3.91 GPM @ 1750 PSI	100 PSI, 104Cfm	368 lbs
GY 247552	Wall	3.91 GPM @ 1750 PSI	100 PSI, 104Cfm	289 lbs
GY 247553	Cart	4.14 GPM @ 2025 PSI	100 PSI, 141Cfm	368 lbs
GY 247554	Wall	4.14 GPM @ 2025 PSI	100 PSI, 141Cfm	289 lbs
GY 258664	Cart	4.12 GPM @ 2140 PSI	100 PSI, 183Cfm	368 lbs
GY 258665	Wall	4.12 GPM @ 2140 PSI	100 PSI, 183Cfm	289 lbs

* Flow and pressure ranges can vary, see model specifications show above for details.

** Washers can be operated at lower inlet air pressures but performance will be lower.
